How to Speak Democrat (if you have to)

Talking to a Democrat can be frustrating. Often, it seems like they are speaking an entirely different language -- and in many cases, they are! For this reason, in the hopes of facilitating cross-party dialogue and mutual understanding, I have compiled what I believe to be the first comprehensive Democrat-to-English dictionary, featuring words commonly used by Democrats, and their English translations, alphabetized for your convenience:

- America (United States of): A country located in the N. Western Hemisphere that is last on every scale.
- Bible: A text that should be banned under all circumstances for the hate speech included.
- Birth Certificate: An official birth record required of all US Presidents, unless you are a Democrat.
- Capitalism: A system of economic organization that should be avoided at all costs.
- Christmas: A holiday having nothing to do with the birth of Jesus Christ.
- Compromise: (common) See Democrat platform.
- Coast (East): The coast of the continental United States that all good law is made.
- Coast (West): The other coast that encourages the other coast.
- Communism: Governmental System that has good point and should be considered to replace Capitalism.
- Condescending: Accurately informed.
- Constitution (U.S.): The founding document of the United States, the text of which must be ignored.
- Corporations: must be stopped at all costs.
- Deficits: How government operates.
- Democrat: Highest form of humanity.
- Election: Means nothing.
- Elitist: Any conservative thinking they know more than a liberal.
- Endangered Species: Animals that are used to stop corporations.
- Evolution: A fact. If questioned change the subject and belittle the questioner.
- Extremist (Conservative): Home grown terrorist.
- Fact: Relative
- Forest (National): Plants used to stop corporations, and good for wild fires.
- Gut: Region of the body below which all punches should be made.
- Homosexuality: Religion beyond reproach.
- Hitler: Republican
- Jesus: Just a guy that the Republicans follow blindly.
- League (Ivy): an association of eight Eastern universities and colleges, from which qualifies a candidate for political office.

- Liberal: A person who should be listened to and submitted to by force of law when convenient.
- Marxism: Better than the current economic system, where you can get your money for nothing.
- Media (Mainstream): Perfected information distributors not to be questioned.
- Medicare: Sacrosanct mechanism to ration healthcare.
- Mexicans (non-citizens): Voters.
- Mountaintops: Where pie in the sky can be found.
- Muslims: A people group that is above reproach and should be bowed to at every opportunity.
- News: ABC, CBS, NBC, MSNBC, CNN (Anything but Fox News)
- Obamacare: A cure-all for the healthcare woes of the US, even though it's never worked anywhere else.
- Organic: good food that costs more to make (poor folks need not know this word).
- Party (Tea): Terrorists.
- Poll: Manipulation mechanism to convince the masses that the Democrats are correct.
- Poverty: A condition that can be solved by taking from those that have until they are in poverty too.
- Propaganda: The politically motivated dissemination of biased information, opinion, or data through Fox News.
- Punishment (Capital): Terrorism.
- Racism: Anything that offends or contradicts liberal ideology.
- Regulation: Rules issued by a government agency to move the liberal agenda forward without regard for consequences.
- Ronald Reagan: Terrorist.
- Scientist: A person who believes in the left-wing agenda to the point of ignoring actual data and the scientific method.
- Social Security: The best example of a governmental program.
- Socialism: The way things ought to be.
- Taxes: Sharing the wealth.
- Torture: Taking a picture of a terrorist with a panty on their head.
- Terrorist: Anybody that doesn't believe in the left-wing utopia.
- Unbiased: Liberal ideology.
- Wealthy (the): Terrorist
- Up: A direction which, depending on circumstances, is down.
- Warming (Global): An anomalous, anthropogenic increase in the earth's atmospheric and oceanic temperatures that Has nothing to do with the natural planetary cycle (also see scientist).
- Welfare: A government program to distribute Republican wealth to any Democrat voter or union worker.
- No: (no translation available, unless you know what the definition of is is)
